# Fáilte Déise Óg

A Chairde

I would like to welcome you all here today to the Jim Power Football tournament. This is a long standing competition that we in Waterford GAA look forward to each year.

Our academies play a pivotal role in the identification and development of our underage footballers. It also provides an environment where coaches can develop and grow as part of a management team. Over the years many people have assisted and been involved with our academy system. All of this work has been voluntary. This willingness to support and develop our next intercounty and club stars is extremely valued and appreciated by all in Déise Óg. I would like to thank all visiting counties and their management teams for the work they do in their respected counties.

Our main objective is to provide the best possible environment for young players to enjoy their developmental years and provide a pathway to performance. Talent Identification is not a perfect science and players can be later developed. So being a part of an academy squad does not necessarily guarantee a future playing with the county team. This is why its important players are given every encouragement no matter what stage they are on in their development.

Over the last three years our academy workgroup has built upon existing structures to develop a whole new range of ideas and implement some fantastic initiatives such as our Athletic Development Program, Coach Education and a huge emphasis on recruitment of volunteers willing to assist with our panels. This work has been based on evidence and research backed up by real insight by those involved in the cold face of player and coach development. I would like to thank this group who have given up so much of their valuable time to help improve our underage academies.

Our full time games development team (Eoin Breathnach, John Quinn, Barry Dunne, David Robinson, Aaron Beresford & Stephen Enright) also play a pivotal role in providing advice and support to clubs. They go above and beyond each year to provide a program of games, educational supports and developmental opportunities for clubs, schools and our academies.

Lastly I would like to thank the parents who have brought the players to many events since the beginning of the year. I am sure you have enjoyed every minute of it and it can't be underestimated the huge role you have played to date.

I hope you enjoy the games and I would like to thank all those who have contributed to the weekends activities. If you would like to discuss or have ideas on further developing our games in Waterford we would love to hear from you.

Best Regards

Eoin Morrissey

Coaching Officer

Waterford GAA

**The organising committee would like to thank the following for helping us to run the Jim Power Tournament in 2022:**

The Power Family for their unwavering support of the tournament since 1991.  
Waterford, Wexford, Carlow & Tipperary Games Development for hosting qualifying rounds on June 11th

All our Referees, Linespeople, Umpires and officials  
Brickey Rangers, Dungarvan, Kilrossanty & Stradbally GAA Clubs for hosting finals  
Munster & Leinster Provincial Games Development for assisting with organisation.

Bord na nÓg, Déise Óg & Waterford GAA County Board for support.  
Players, mentors & supporters from the 14 teams taking part in this years tournament.

All who helped in any way to make the tournament a success.

Thanks to all for taking part in 2022 we look forward to seeing you again in 2023.

*Have a great game and safe home to all.*

# Fáilte Bord na nÓg

A Chairde

On behalf of Bórd na nÓg Port Láirge I would like to extend a warm welcome to the extended Power Family and in particular to Theresa who continues to promote The GAA and a proud if not loud football tradition in Waterford.

The Jim Power tournament has been in hibernation for 2020 and 2021 but we are delighted to come together with Games Development in both Leinster and Munster to promote what will hopefully be a sustainable and bright programme of games.

Waterford is proud to play host to teams from Limerick, Tipperary, Carlow, Wexford, Offaly, Wicklow and Cork and of course we look forward to seeing our own teams in competition.

By 2019 the tournament had already extended out to some of our Leinster neighbours and this year's tournament sees an integrated programme of games with qualifying groups played in Wexford, Carlow, Waterford and Tipperary. The qualifiers should "in theory" have grouped teams according to their ability and we look forward to competitive games this Saturday.

There will be 4 graded competitions taking place in Bushy Park, Dungarvan, Leamybrien and Stradbally. We would like to thank Brickey Rangers, Dungarvan, Kilrossanty and Stradbally for the use of their grounds and all 4 clubs are proud footballing powers within the county and appropriate venues for the tournament. We have no doubt that all our Waterford hosts will extend a warm welcome to the teams competing.

I would like to thank all in Déise Óg in particular Eoin Breathnach, Waterford Games Development Manager and the team of GDA's John Quinn, David Robinson, Barry Dunne, Stephen Enright & Aaron Beresford who will co-ordinate the 4 venues on the day as well as some of the qualifying groups a few weeks ago.

I would also like to thank Bord na nÓg committee members who support the expansion of the tournament. As always Pdraig Nolan and Robert Grace will be refereeing some of the games, Angela Whelan, Conor Mulhall, Brendan Breen, Tom Guiry, Michael Flanagan and our other Bord members will be on hand to hopefully successfully re-launch the tournament in a new and exciting format.

To those that were here in 2019 and have since departed we continue in their memory and the lasting memory of Jim Power himself.

Let the games begin.

Eric Furlong

Chairperson Bord na nÓg Port Láirge

# A Note from the Power Family

On behalf of the Power Family I wish to welcome everyone to the Déise today for the Finals Day of the Jim Power Football Tournament. My family and I are delighted that after an enforced break the tournament is back again in 2022. Since the first tournament way back in 1991 this tournament has been an important part of the schedule for development squads each year with many of those who have played over the years going to represent their county at Minor & Senior level. Many players can look back at their involvement in the tournament as the start of their intercounty playing days. Hopefully many of those taking part today will continue that trend in the coming years.

From a small tournament in 1991 it has developed over the years to include various counties from Munster & Leinster. It is great to have Carlow, Wicklow & Offaly taking part for the first time this year adding to the number of counties that have taken part. The new enlarged format this year brings 14 teams to Waterford the most that have ever played in the finals day. From a Waterford viewpoint It is great to have 2 teams this year and even better that both have qualified for the Cup/Shield sections.

Our family have always enjoyed the Jim Power Tournament, notwithstanding the sad circumstances in which it came about and we are always happy to attend the tournament and assist in any way we can to keep the memory of Jim going. Thanks to Bord na nÓg and Déise Óg for the work done in organising again this year it is much appreciated.

Finally I would like to wish all 14 teams the best of luck and who knows maybe we will have 2 Waterford teams in finals!!

Is mise

Theresa Power
