## TONY FORRISTAL

In 1982 the Waterford Crystal G.A.A. Club decided to organise an Inter-County Under-14 tournament in memory of the late Tony Forristal. He worked at the Glass Factory.

Tony died as a result of a road accident on April 4th, 1981, while travelling in a minibus with the Waterford U-21 team. At that time, he was trainer of the Waterford Glass senior hurling team, the Mount Sion senior hurling team & the Waterford U-21 team. His memory is perpetuated by the kind gesture of his wife, Betty, in donating a special trophy for the tournament. The trophy goes to the county that wins Div. 1.

## SONNY WALSH

One of the men behind the idea of the Annual Tony Forristal Tournament was Sonny Walsh. In the Spring of 1983, Sonny died suddenly while training the juvenile hurlers of his club, De La Salle in the field at Cleaboy.

Edward 'Sonny' Walsh played the game to the end. He was a dedicated member of the Waterford Glass G.A.A. Club, a talented hurler who graced the inter-county scene for years and who had, at all times, spent long hours attending to the needs and coaching the youth of his beloved De La Salle. The Sonny Walsh Trophy, kindly donated by the Walsh family, will be presented to the winners of Division 2 in the Tournament.

## LARRY QUINN

Larry was the driving force behind the tournament from its foundation in 1982 until his sudden and premature death in February 2003, at the age of 48. Larry had an incredible passion for hurling and strove endlessly to promote the game throughout Waterford and indeed the country. It is thanks in the main to his work and vision that this tournament is at the level it is today.

Having served his club Mount Sion and Waterford Bord na nÓg for many years, this tournament is a fitting tribute to his love and dedication to the game, and long may his memory live on. To commemorate his memory, a perpetual Waterford Crystal Trophy has been designed for the Man of the Match Award of the Division 1 Final each year.

The trophy itself will be kept on display in the Mount Sion GAA Club Social Centre, and the name of the Man of the Match will be inscribed on the plinth on which the trophy stands as a 'Roll of Honour.'

## FÁILTE

The organising committee of the Tony Forristal & Sonny Walsh Tournaments would like to welcome everyone to Waterford for our finals today 27th August 2022. It is a welcome return after covid-19 caused the cancellation of the tournament in 2020 & 2021. Today we will have 16 teams from 8 counties participating in the tournament with 20 games to take place over 6 venues.

These tournaments are run to honour the memory of Tony Forristal & Sonny Walsh 2 men sadly passed away who made a huge contribution to GAA in Waterford during their lives. We also remember Larry Quinn who was instrumental in the organising of the tournaments for many years. The man of the match award for final is in his honour. Over the many years of the tournaments we have been treated to many wonderful games of hurling featuring the finest 14 year olds from across the country. For some the Tony Forristal/Sonny Walsh was the highlight of their time on a development squad and for many it was a stepping stone onto bigger things. Here in Waterford many of our current players have played in one of the tournaments.

With a change in format for U14 Development Squads this year all counties have regionals based squads rather than the traditional A/B panels. All 16 teams played in the qualifying groups on 6th August from which they have been graded for Tony Forristal/Sonny Walsh.

Thanks to Mount Sion, De La Salle, Roanmore, St Saviour's, Erin's Own & SETU Arena for hosting games today. We are grateful to the club committees in all clubs for the work they have done to have facilities in top shape for the day. Our teams of officials will keep the matches going and we ask that all officials are shown respect at all times. Thanks to all committee members, Déise Óg, coordinators and 1st aiders for ensuring smooth running of tournament. The continued support of the Forristal & Walsh Families is much appreciated and both families are actively involved in the organising committee.

Finally we wish all teams the very best of luck today and hope that the tournament will live long in your hurling memories.
